

Dare to Care
Food Bank

School Cereal Drives

FAQs:

Q: How do I turn in the cereal?

A: We consider drop off as part of your donation and are grateful for it! We request that you deliver donations to the Dare to Care warehouse at 5803 Fern Valley Road, Monday – Friday from 8:30 a.m. till 2:30 p.m.

Q: Can we collect funds in addition to cereal?

A: Absolutely! Once you register your drive at www.daretocare.org/school-cereal-drives, we will create a virtual fundraising page just for your school that you are welcome to use. Monetary donations help us leverage our incredible purchasing power and stretch a dollar further, \$2=5 meals! You can customize your page with a goal, photos, and description.

Q: What should my timeline be for a Cereal Drive?

A: You can start your drive any time by visiting www.daretocare.org/school-cereal-drives. The most successful drives run for a 1-to-2-week period. You can host your drive whenever you think you will be the most successful. Most schools hold their drives October–December, but you are welcome to do them anytime during the 2024-2025 school year.

Q: Do you have any resources we can use to promote our Cereal Drive?

A: We have included a sample promotional flyer and goal tracker in this booklet, which you are welcome to use during your drive! In addition, we have compiled an online toolkit of additional tips, tricks, and resources that you can check out and utilize.

Q: Does Dare to Care accept canned goods?

A: Yes, however, to simplify for families and address some of the food bank's most pressing needs, we encourage cereal and monetary donations currently.
