

Dare to Care Food Bank

Dear School Leader,

Dare to Care Food Bank is proud to once again team up with local schools to fight hunger and strengthen our community. We'd love your school to be a part of this year's cereal drive campaign, an opportunity for students and staff to make a big impact in a simple, hands-on way.

This school year, we invite your school community to collect boxes of cereal to support the 1 in 5 kids in our area facing food insecurity. It's more than just a food drive—it's a chance for young people to experience the power of giving back and understanding the value of community service.

To help your school get started, we've put together an online toolkit full of resources, ideas, and best practices. You can find the toolkit and register your school's drive today at www.daretocare.org/school-cereal-drives. If you have any questions or need support along the way, please don't hesitate to reach out to me at anna.foshee@daretocare.org.

Thank you for helping us build a nourished community where everyone can thrive—starting right in your school!

Anna Foshee
Director of Volunteer Engagement
Dare to Care Food Bank

Hope starts here.
