

Dare to Care is thrilled once again to engage Kentuckiana during the month of September for National **Hunger Action Month (HAM)**. Your support is needed as we continue to serve the community on their long road to recovery from the events of the past year. Our goal for Hunger Action Month; raise \$400,000, have 500 volunteers register to help now and/or in the future, and reach 1000 volunteer hours completed during September.

How can you participate? We will announce to the community that their donation of dollars and/or time will be matched with contributions from our sponsors. We ask that you join the Hunger Action Month campaign and become a matching sponsor.

Help us stand up to hunger and show Kentuckiana that we all can unite and feed the hungry. Together we can reach our HAM goals which will provide up to 1,200,000 meals for our community members who face hunger.

SPONSORSHIPS

BROWN-FORMAN

HAM PRESENTING Sponsor

DOLLARS FOR DOERS CAMPAIGN Sponsor

HAM Match Sponsor (5) Your sponsorship will be highlighted for one week during the month of September. The goal will be to acknowledge your match during that week to encourage others to give in our community.
