SUPERINTENDENT

SUBJECT: DARE TO CARE FOOD BANK – CHAIN REACTION OF KINDNESS

DATE: SEPTEMBER 15, 2022

Dare to Care Food Bank has provided us with the enclosed information regarding their 2022 Food & Fund Drive.

This year, Dare to Care is refreshing its annual drive so that it includes two, simple options for students: a fund drive to support the 67 pantries within JCPS, and a cereal drive, in which students can donate a box of their favorite cereal. All funds raised will be directed toward purchasing food for the pantries that serve JCPS students and their families.

I encourage you to participate in the “Chain Reaction of Kindness” drive, as it is not only a worthwhile activity for our students, but it also can be used to build Backpack of Success Skills.

Please review the Dare to Care information, and fill out the participation form at: [www.daretocare.org/jcpskindness](http://www.daretocare.org/jcpskindness). If you have any questions, please contact Joey Stinson at [joey@daretocare.org](mailto:joey@daretocare.org)

Thank you for your continued support of this worthwhile effort.
