Baptist Fellowship Center

Your support matters.

"This is the fourth week without a paycheck. I was strategic with my last one and stretched it as much as possible. After paying for rent and electricity, it was then that I could think about groceries. It's crazy to say that groceries come last. I'm a single mom and I've heard that some people are embarrassed to come get food from a food bank, but I'm not because this is for my kids." -Adriana
