

Year in Review

Fiscal Year 2021-2022

Dear Friends,

Each January, I reflect on the year that has passed, the joys and accomplishments of another year completed. 2022 was not without unique challenges; as a stark reminder of the dramatic need we witnessed, "food pantries near me" was the #3 most searched topic online in Louisville last year.

And yet, when I reflect on what your support helped Dare to Care achieve in 2022, I am overcome with gratitude. During a year where we saw the need increase on average by 30% across Kentuckiana, you rose to every challenge to ensure Dare to Care had the resources needed to serve our community. We cannot thank you enough for that.

As we move into the new year, I am deeply invigorated knowing that our community has people like you who are willing to step up for those who face food insecurity in our community. As we continue to serve Kentuckiana, we will do so because of your steadfast support. It will take all of us - donors, volunteers, advocates, and partners - to fill gaps, create change, and ensure that food insecurity is no longer. This is possible when we work together.

Thank you again for your commitment to ensuring a hunger-free Kentuckiana.

With gratitude,

Vincent E. James
President & CEO

Partner Investment Program

Dare to Care launched its Partner Investment Program in 2022 to ensure our partners have ample capacity to feed our neighbors. Dare to Care invested \$250,000 in 12 partner organizations that demonstrate a commitment to equity, dignity, and innovation. In the future, Dare to Care plans to continue these investments to expand our partners' capacity.

Kids Cafe Coordinators Visit

In May, all the Kid's Cafe site coordinators visited the Parkland Community Kitchen. They were able to tour our facility and learn more about where the kids' meals are prepared throughout the week. In total, Dare to Care provided 216,955 nutritious meals at our Community Kitchen and delivered them to 35 Kids Cafe sites.

The Great Sausage Project

In December of 2021, the Community Kitchen was gifted with 16,000 lbs of pork trim from Marksbury Farms, east of Lexington, Kentucky, and producers in Southern Indiana. This high quality product was sliced, ground, seasoned, and mixed by a dedicated group of volunteers each Tuesday. This product was then distributed to our neighbors in need through out partner agencies.

My Brother's Keeper

On Thanksgiving Eve in 1969, nine-year-old Bobby Ellis died of malnutrition in his Louisville home. Our community rallied together and created Dare to Care to ensure that no one in our community lacks the food they need to live an active, healthy life. Use the QR code below to watch a video of Bobby's sister, Nicki Ellis as she reflects on her family's legacy:

Our ongoing mission is to ensure our neighbors have access to nutritious food. You can be a part of that legacy through our Bobby Ellis Legacy Society. Your planned gift can propel the mission to end hunger for every neighbor today and for years to come.
